Chorus I Bonded with love, anchored in unity
By singing songs of praise
Reaching out, reaching out

Bonded with faith; serving and praising God
By singing songs of praise
Reaching out through songs!

title

composer

I. Through the years of service, we strongly stand
With the spirit of love, we work hand-in-hand
We will stand forever, we will stand forever

Repeat Chorus I

song guide

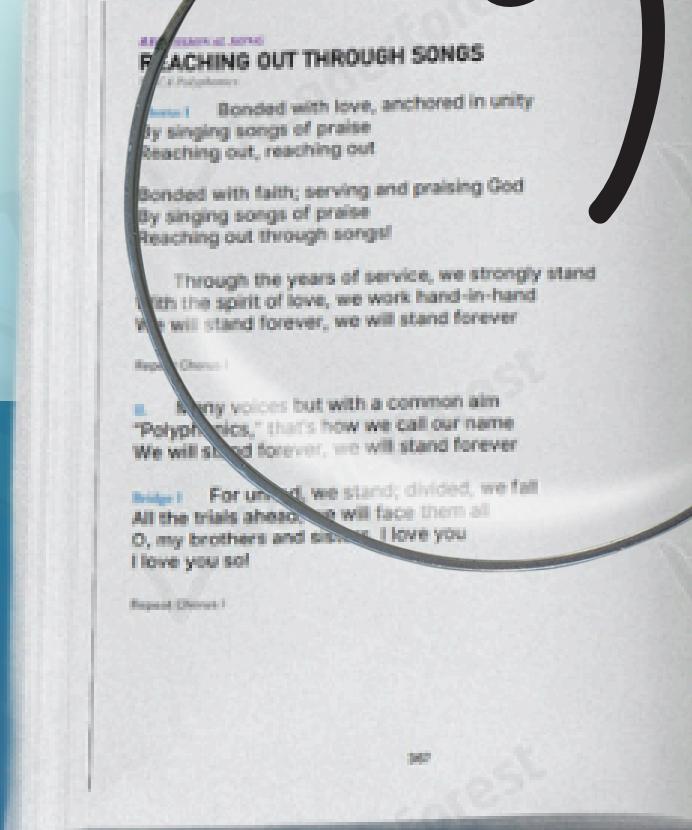

II. Many voices but with a common aim
“Polyphonics,” that’s how we call our name
We will stand forever, we will stand forever

Bridge I For united, we stand; divided, we fall
All the trials ahead, we will face them all
O, my brothers and sisters, I love you
I love you so!

Repeat Chorus I

*ANOTHER SONG
RISE UP AGAIN*
ViSCA Polyphonics

I. Don't you know that after the rain, will come the sun?
Don't you know that amidst the darkness, you will find the light?
Don't you know that, if you fall down, you can rise up again?
You can surely rise up again!

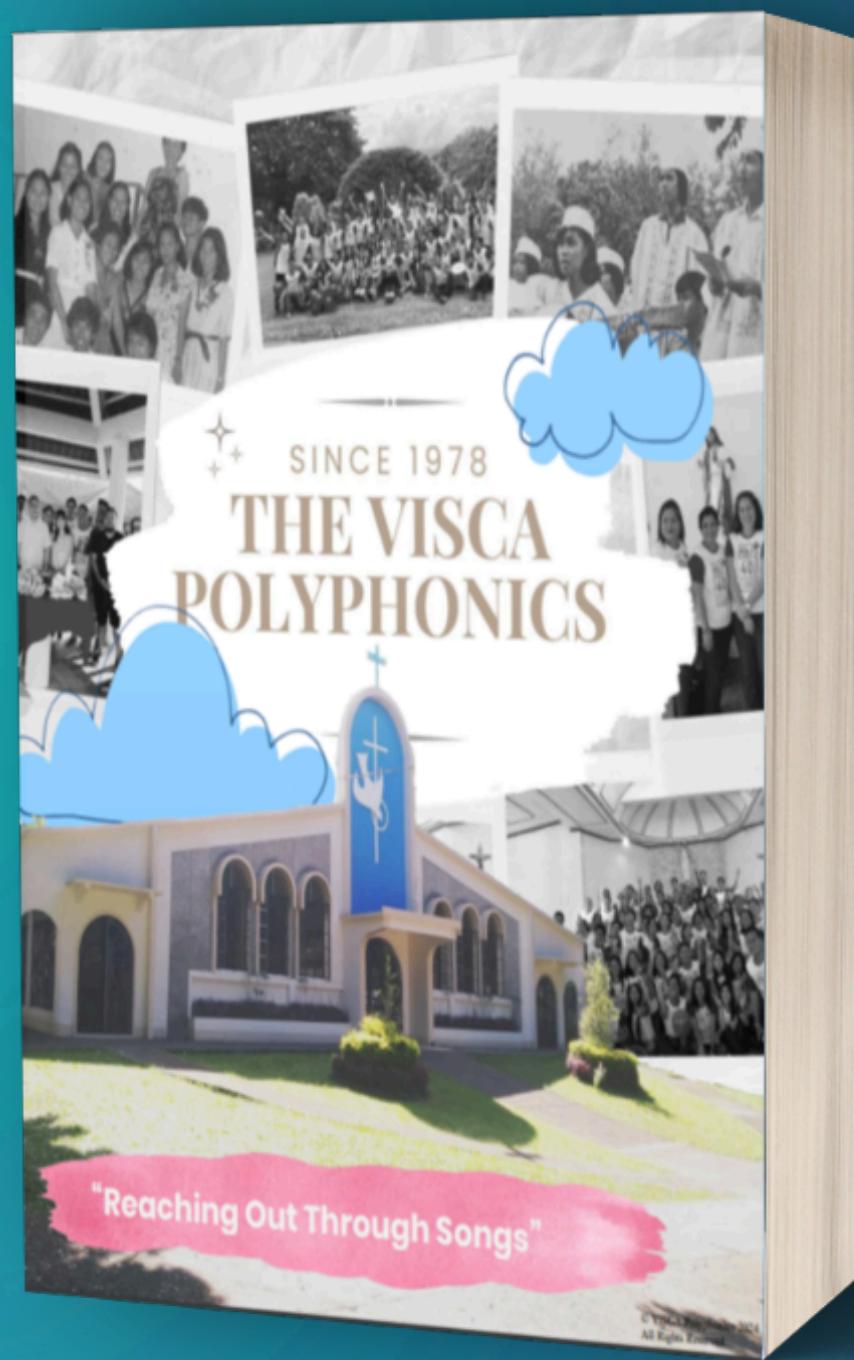

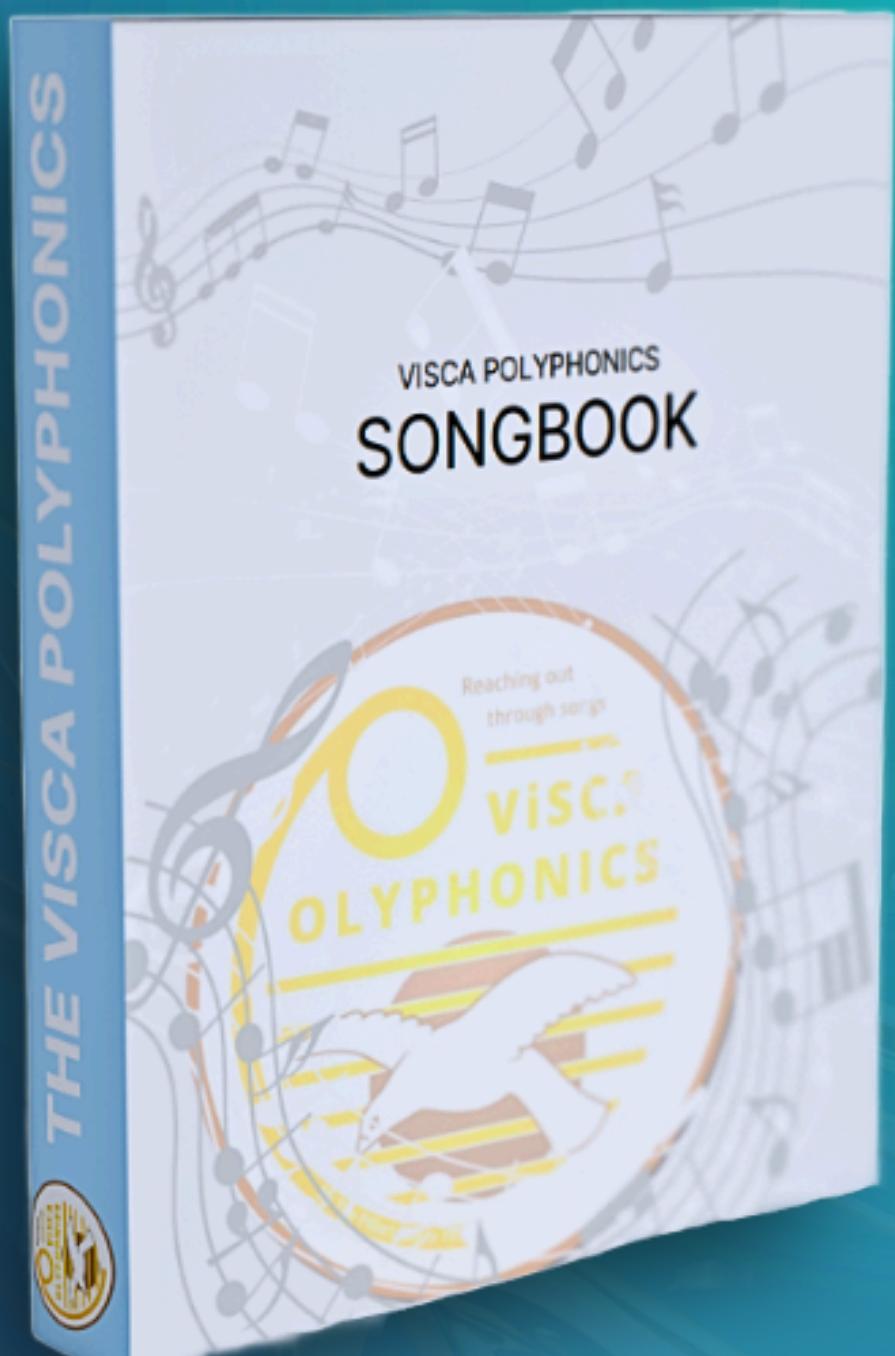

II. Sometimes, you'd think the world's cruel and unkind
And everything's so hard to understand
But friend, I please, don't lose your hope, all is not lost!

III. Because, my friend, O, after the rain, will come the sun
Just wait with love in your heart and you'll see the light
And you realize that, if you fall down, you can rise up again
You can surely rise up again!
