TANGING YAMAN

KORO:

Ikaw ang aking tanging yaman Na di lubusang masumpungan Ang nilikha Mong kariktan Sulyap ng 'Yong kagandahan

Ika'y hanap sa tuwina Nitong puso'ng Ikaw lamang ang saya Sa ganda ng umaga Nangungulila sa 'Yo, Sinta *(KORO)*

Ika'y hanap sa tuwina Sa kapwa ko Kita laging nadarama Sa Iyong mga likha Hangad pa ring masdan ang 'Yong mukha *(KORO)*

WALANG PAGMAMALIW

Nagbabago ang kalikasan. Naglalaho ang kagandahan. Binabago ng panahon, Pati kahulugan ng kahapon.

Kumukupas ang karangalan. Nalilimot ang pangalan. Kung lahat na lang lumilipas, Ano kaya'ng di maaagnas?

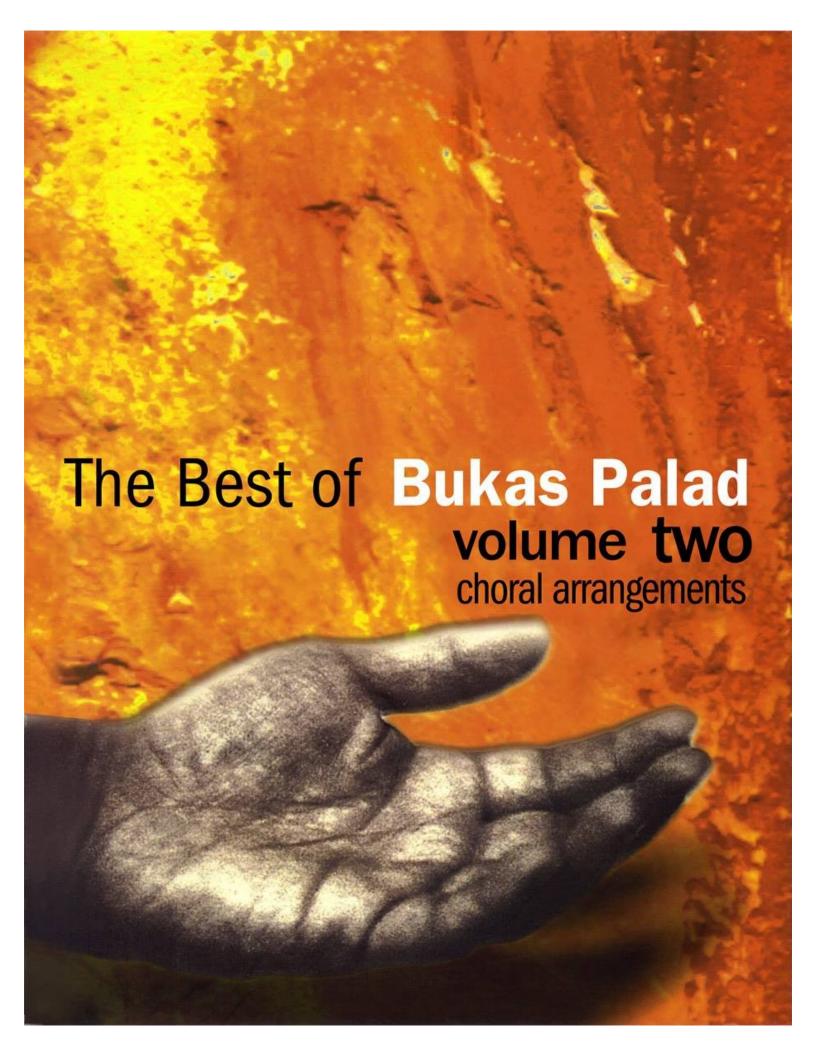

REFRAIN

Isa lang ang di nagmamaliw:
Ang pag-ibig Mo, giliw.
Sa mundong walang katiyakan,
Pag-ibig Mo'y tanging sandigan.
Anuman ang aking sapitin,
Makakaya ko'ng pasanin,
Ipabatid Mo lang sa akin,
Ako'y mahal Mo pa rin.

Masumpungin ang damdamin, Malambing at matampuhin. Kung nagmamaliw ang pangako, Saan kaya di mabibigo? *REFRAIN*

CODA

Isa lang ang di magmamaliw: Ang pag-ibig Mo, giliw.

ANIMA CHRISTI

Soul of Christ, sanctify me Body of Christ, save me Water from the side of Christ, wash me Passion of Christ, give me strength Hear me Jesus, hide me in Thy wounds That I may never leave Thy side

From all the evil that surrounds me, defend me And when the call of death arrives, bid me come to Thee That I may praise Thee with Thy saints forever

CHILDREN OF EASTERN MORN

We are the children of Easter morning
We sing to celebrate our new lives
The dawn of an eternal morning
The fulfillment of our ageless desires
We sing with joy in our hearts overflowing
We sing to beckon those who dwell in the dark
We'll keep on singing till all men celebrate
This Easter morn

We are the children of Easter morning
We sing to proclaim the Lord's might
Now there's meaning to our life of dying
For the Lord, our God, has conquered the night
With joy we dedicate our lives to the service
Of the God of Life whose goodness we've known
Until our lives be themselves our song of Easter morn

May our simple lives be a song of praise
To the goodness of the Lord
May the Lord delight in this song we sing
This song we live with joy
If we had to sing just one song
To the Lord, Creator of life
May our lives be that song resounding in praise
To the goodness and glory of God

FREEDOM IS AT HAND

We have walked all the highways Yet where have we gone We planted dreams along the byways What else is there to be done

We spoke of peace, pure and simple They seemed not to understand We asked them to free our people They said, "Freedom is at hand."

REFRAIN:

We asked, "Is freedom a farmer with no land to farm? Is freedom a fisher with no river to fish?

Is freedom a worker with no place to work?" Yet they said, "Freedom is at hand."

Guns cried out as night drew near We hurried for home To our children aged in fear Whose dreams are made of stone

"Peace," we said, "is not an empty plate Nor a man with no land. Freedom we can no longer wait." They said, "Freedom is at hand." *(REFRAIN)*

I SEEK YOU FOR I THIRST

REFRAIN:

Though many times I run from You in shame I lift my hands and call upon Your name For underneath the shadow of Your wings My melody is You

O Lord, I seek You for I thirst Your mercy is the rain on the desert of my soul

O Lord, I raise my lifeless eyes and see Your glory shine How Your kindess overflows *(REFRAIN)*

O Lord, Your sanctuary calls
I yearn to be with You in the rivers of Your love (REFRAIN)

I WILL SING FOREVER

I will sing forever of Your love, O Lord
I will celebrate the wonder of Your name
For the word that You speak is a song of forgiveness
And a song of gentle mercy and of peace

Let us wake at the morning and be filled with Your love And sing songs of praise all our days For Your love is as high as the heavens above us And Your faithfulness as certain as the dawn

I will sing forever of Your love, O Lord
I will celebrate the wonder of Your name
For the word that You speak is a song of forgiveness
And a song of gentle mercy and of peace

I will sing forever of Your love, O Lord For You are my refuge and my strength You fill the world with Your life-giving spirit That speaks Your word Your word of mercy and of peace

CODA:

And I will sing forever of Your love, O Lord Yes I will sing forever of Your love, O Lord

IF I COULD TOUCH YOU

If I could touch You, I'd heal Your broken palms
If I could hold You in my arms
I'd call the soft breeze to caress Your weary arms
I'd call the moonbeam to dispel this darkest night
If I could touch You, I would

If I could hear You, Your words of anguish
If You'd just whisper in my ear
The sadness weighing down Your heart that no man sees
If You'd just call me, I would sing of flaming hope
If I could hear You, I would

Long have I waited for you to hear My cry Long have I waited for you to answer My plea What you do to you brethren You do it for Me I am in the brokennes and woundedness of man

COUNTERPOINT:

Yes, you can touch Me I'm in the least of your brethren I'm in the weak and small I need your hands to bear My weary arms
I need your touch to heal My wounded palms.
Yes, you can touch Me
Yes, you can hear Me

IN HIM ALONE

REFRAIN:

In Him alone is our hope
In Him alone is our strength
In Him alone are we justified
In Him alone are we saved

What have we to offer
That does not fade or wither
Can the world ever satisfy
The emptiness in our hearts
In vain we deny (REFRAIN)

When will you cease running
In search of hollow meaning
Let His love feed the hunger
In your soul till it overflows
With joy you yearn to know (REFRAIN)

DESCANT:

In Him alone is our hope Unto Him I pour out my heart He alone will save me With His love and mercy.

IN MY HEART

REFRAIN:

In my heart I know my Savior lives
I can hear Him calling tenderly my name
Over sin and death He has prevailed
In His glory, in His new life we partake

I know He lives as He has promised For me He's risen that from fear I may be free Not even death can separate me From Him whose love and might remain in me (REFRAIN)

For I have seen and touched Him risen
To all the world will I proclaim His majesty
With joy I sing to tell His story
That in our hearts may live His memory (REFRAIN)

And all the earth shall bow before Him His blessed name all will adore on bended knee His truth shall reign, so shall His justice In Christ, my Savior, let all glory be *(REFRAIN)*

CODA:

In my heart I know my Savior lives In His glory, in His new life we partake

LIFE FOREVERMORE

When the day of toil is done, when the race of life is run Father, grant Thy wearied one: Rest forevermore

When the strife of sin is stilled, when the foe within is killed Be Thy gracious word fulfilled: Peace forevermore

When the darkness melts away at the breaking of the day Bid us hail the cheering ray: Light forevermore

When the heart of sorrow tried, feels at length its throb subside Bring us where all tears are dried: Joy forevermore

When for vanished days we yearn, days that never can return Teach us in Thy love to learn: Love forevermore

When the breath of life is flown, when the grave must claim it's own Lord of Life be ours thy glorious crown: Life forevermore

Life forevermore!

PSALM 92

REFRAIN:

Lord, it is good to give You thanks Lord, it is good to give You thanks

It is good to give thanks to the Lord
To make music to Your name
To proclaim Your love in the morning
And Your truth throughout the night (REFRAIN)

The just shall flourish like a palm tree
And grow like a Lebanon cedar
Planted in the house of the Lord
They will flourish in God's time (REFRAIN)

They shall bear fruit when they are old Still full of sap, still green To proclaim that the Lord's love is steadfast In God, my rock, is no wrong *(REFRAIN)*

ONE MORE GIFT

REFRAIN:

If there's one more gift
I'd ask of You, Lord
It would be peace here on earth;
As gentle as Your children's laughter
All around, all around

Your people have grown weary
Of living in confusion
When will we realize
That neither heaven is at peace
When we live not in peace (REFRAIN)

Grant me serenity within
For the confusions around
Are mere reflections
Of what's within
What's within me (REFRAIN)

PASTORALE

I am your reed, sweet shepherd, glad to be Now if you will, breathe out your joy in me And make bright songs or fill me With the soft moan of your love When your delight has failed To call or move your flock from wrong

Make children songs or any song to fill Your reed with breath of life But at your will Lay down the flute and take repose While music infinite Is silence in our heart And laid on it you reed is mute

PILGRIM'S THEME

Tired of weaving dreams too loose for me to wear Tired of watching clouds repeat their dance on air Tired of getting tired of doing what's required Is life a mere routine in the greater scheme of things

Through with taking roads someone else designed
Through with chasing stars that soon forget to shine
Through with going through one more day - what's new
Does my life still mean a thing in the greater scheme of things

REFRAIN 1:

I think I'll follow the voice that calls within
Dance to the silent song it sings
I hope to find my place
So my life can fall in place
I know in time I'll find my place
In the greater scheme of things

Each must go his way, but how can I decide Which path I should take, who will be my guide I need some kind of star to lead me somewhere far To find a higher dream in the greater scheme of things

The road before me bends, I don't know what I'll find Will I meet a friend or ghosts I left behind Should I even be surprised that You're with me in disguise For it's Your hand I have seen in the greater scheme of things (REFRAIN 1)

BRIDGE:

For Yours is the voice in my deepest dreams You are the heart, the very heart Of the greater scheme of things (REFRAIN 1)

REFRAIN 2:

Why don't we follow the voice that calls within Dance to the silent song it sings
One day we'll find our place
For all things fall in place
For all things have a place
In the greater scheme of things

PRAYER FOR GENEROSITY

Dearest Lord, teach me to be generous
Teach me to serve You as I should
To give and not to count the cost
To fight and not to heed the wounds
To toil and not to seek for rest
To labor and ask not for reward
Save that of knowing that I do Your most holy will

PRAYER OF RUPERT MAYER

Lord, what You will let it be so Where You will there we will go What is Your will help us to know

Lord, when You will the time is right In You there's joy in strife For Your will I'll give my life

To ease Your burden brings no pain To forego all for You is gain As long as I in You remain

REFRAIN:

Because You will it, it is best Because You will it, we are blest Till in Your hands our hearts find rest Till in Your hands our hearts find rest

SONG OF CREATION

Deep within our hearts dwells the song of our destiny Sung upon the world's completion when God laughed heartily

Draw into your heart and drink the song of creation Unity and beauty, all that Yahweh meant to be

The earth now moans a dirge, she cannot play her symphony Creation cannot sing as one for man has lost his melody

A hungry child, a dying sea A naked forest, tribal enmity All foretold man has lost his memory The song of his destiny

REFRAIN:

The whole world needs To sing and dance the song of all creation As God's one family
All people, earth and sky
This is our chance to sing the song of creation
The song of all people's salvation

Earth's a fading glory and man's become her enemy We haven't learned to live in peace with ocean, wind and trees

The Lord, our God Almighty hears the song of our misery All His creatures great and small for delivery they call

The song of our ancestry lies deep in our memory We still can sing along with all the earth her fading song

With mother river and father hill
With brother eagle, sister daffodil
To sing as one as on the day the world began
When Yahweh sang with man (REFRAIN)

BRIDGE:

Listen to the strains
In your heart remains
The song of creation
The song of our salvation (REFRAIN)

TAKE AND RECEIVE

Take and receive, O Lord, my liberty
Take all my will, my mind, my memory
All things I hold and all I own are Thine
Thine was the gift, to Thee I all resign

Do Thou direct and govern all and sway Do what Thou wilt, command, and I obey Only Thy grace, Thy love on me bestow These make me rich, all else will I forego.

YOUR HEART TODAY

Where there is fear I can allay Where there is pain I can heal Where there are wounds I can bind And hunger I can fill

REFRAIN:

Lord, grant me courage Lord, grant me strength Grant me compassion That I may be Your heart today

Where there is hate I can confront Where there are yokes I can release Where there are captives I can free And anger I can appease (REFRAIN)

BRIDGE:

When comes the day I dread To see our broken world Compel me from my cell grown cold That Your people I may behold

Where there is fear I can allay Where there is pain I can heal

Where there are wounds I can bind And hunger I can fill (REFRAIN)

CODA:

And when I've done all that I could Yet there are hearts I cannot move Lord, give me hope That I may be Your heart today

THE HANDS THAT FIRST HELD MARY'S CHILD

The hands that first held Mary's child

Were hard from working wood From boards they sawed and planed and filed And splinters they withstood

This day they gripped no tool of steel

They drove no iron nail
But cradled from the head to
heel
Our Lord, newborn and frail

When Joseph marveled at the size

Of that small breathing frame And gazed upon those bright new eyes And spoke the infant's name The angel's voice he once had dreamed

Poured out from heaven's height

And like the host of starts that gleamed

Blessed earth with welcome light

This Child will be Emmanuel Not God upon a throne But God-with-us, Emmanuel As close as blood and bone

The tools which Joseph laid aside
A mob would later lift

And use with anger, fear and

pride To crucify God's gift

Let us, O Lord, not only hold The Child who's born today But charged with faith, may we behold To follow in His way

BRIDGE:

The tiny form in Joseph's palms
Confirmed what he had heard

And from his heart rose hymns and psalms
For heaven's human Word

This Child shall be Emmanuel Not God upon the Throne But God-with-us, Emmanuel As close as blood and bone (REPEAT)

As close as blood and bone

Magsisimbang-gabi na naman ako kasama mo Maririnig ko nang muli ang tinig mong Inaawit ang himig ng Pasko

Sa simula ng pagdarasal ko Ngalan mo'y agad sa puso ko Sana nama'y idulot N'yang mabago ko ang mundong laalay ko sa 'yo

Sa araw ng Pasko magsisimba ako kasama mo At doon ko iaabot ang anumang nabago ko Kasama 'tong aking inaawit

Ipamamalas ko ang pag-ibig na nadarama sa 'yo Katulad ng pagmamahal na sanhi ng pagdiriwang Nitong ating Pasko, o giliw ko

At sa araw na ito alalahanin mong handang-handa ako Maging kapiling mo

Kahit matapos na itong Pasko

WHEN CHRISTMAS COMES

In days of old was a story told of a weathered man On dusty roads and on nights so cold did he roam

He traveled far, followed every star, taking paths unknown So on Christmas day he would find his way back home He'd find his home

With spirits frayed, the eyes would fade on this weathered man Though weak and blind, still he walked the winding road An orphaned lass took his hand at last, so he wouldn't stray But at his side, for him she cried on the way So sad, she prayed

CHORUS

When Christmas comes, may this man be found
And his heart no longer be lonely
Let lanterns hung and carols sung bring him home
To an open door and a warm embrace
And a gentle smile on a friendly face
Let him/them/us find peace and

They reached a place, an empty space where a family lived

For once when Christmas comes

And man and wife took the weathered life in their care
They put to bed his tired head and watched him lay
Not knowing he'd no longer see
Christmas day
They knelt and prayed (CHORUS)

BRIDGE

Travelers all are we, seeking the places where love must be Knocking on every door, yearning to find where our hearts are free Christmas is everywhere, in the faces we long to see Christmas is ours to share, no need to search all about us Love's all around

Now I know, as the story shows of this weathered man Ever blind, we will never find our home
Till we see love will always be staring at our face
Then can we be so peacefully on our way
And so I pray (CHORUS)

CODA:

Each day is dear. Look far and near Christmas is here! Christmas is here!

THE CHRIST CHILD

So many years ago, a Child was born

But He wasn't like any child ever known

He lay in a manger, not a crib made of gold

And the royal nursery was a stable of old

Though He didn't have to be poor A King such as He could afford so much more

And have all the wealth, and rule all the earth

He was instead born a carpenter's son

And while He lay there, some shepherds arrived
And in their simple hearts they knew that He had arrived
Though there were no trumpets, no fanfare to announce
The glorious star told them what it was about
Then suddenly there came a light
The angels came over to pay Him

His rights
They knew He was King, they knew
He had might
He was the one they called the
Christ

And so the Scriptures wrote of the Christ Child Whose birth enfleshed the promise of eternal life In Israel's Bethlehem a history unfolds

So many years ago, a Child was born He was the universal King whom everyone scorned But thousands of years after that They learned to adore the most eminent fact
That He was with us, that He lived for us
He was the one they called the Christ

But thousands of years after that They learned to adore the most eminent fact That He was with us, that He lived for us

He is the Christ, there is no doubt

BITUIN

Sa isang mapayapang gabi Kuminang ang marikit na bituin At tumanod sa himbing na pastulan, nag-abang

Pagkagising ng maralita Nabighani sa bagong tala, naglakad At tinungo sabsabang aba

KORO:

Hesus, bugtong na anak ng ama
Tala ng aming buhay, liwanag
Kapayapaan, kahinahunan
Kapanatagan ng puso
Giliw ng Diyos at pag-asa ng maralita
Ng abang ulila
Biyayaan Mo kami ng pagtulad sa Iyo
Nang magningning bilang 'Yong mga bituin

Sa isang pusong mapagtiis Kuminang ang marikit na bituin At doon nanatili, nag-alab, nagningning

Taimtim nating kalooban Ginawa Niyang Kanyang himlayan, dalanginan Nilikha niya'ng sabsabang aba *(KORO 2x)*

<u>A CHRISTMAS PRAISE</u>

Sing! Rejoice in gladness! A King is born in Bethlehem!
A star in heaven descends, descends with angels' glory and praise
Let all the earth raise her voice upon Him Who is the Lord of all Sing my soul a pah-pa-rap-parap-pah
And hallelujah, hallelujah, hallelujah!

REFRAIN 1:

Jesus Christ is born in Bethlehem today

REFRAIN 2:

Jesus Christ is born in Bethlehem today
Behold the gentle one and pray
"My life is Yours today!"

REFRAIN:

When the song of angels is stilled When the star in the sky is gone When the kings and princes are home When the shepherds are back with their flock The work of Christmas begins

To find the lost, to heal the broken
To feed the hungry, free the prisoners
To rebuild nations, to bring peace among brothers
To make music in the heart (REFRAIN)

GLORIA

Minsan sa isang taon lamang Maririnig mga tinig ng nagdiriwang Sa kagalakan: Ang Niñong sumilang Naghari sa sambayanang Umasa at nag-abang sa Kanya

Sa tinapay ay nagpupugay Kasabay ng alak at galak Ating sinasariwa ang diwa Ng Kapaskuhang Kanyang pagsilang

Nang nabuhay ang kalangitan Sa pagparito Niya ay natupad na Ang pangako ng Ama

Ang pangako ng Ama Nagising sa pagkakahimbing

Tupa't baka pati kambing Ang mga pastol ay naghabol Makita lamang ang Sanggol Sa sabsabang Kanyang sinilangan

Doon, saan ay mapagmamasdan Si Hesus ang Manunubos Ang Anak ng Diyos Kaya't magpuring lubos

May "Gloria" ang awit nila At may "in Excelsis Deo" pa Ang mga anghel ay naghatid Ng balitang ating nabatid

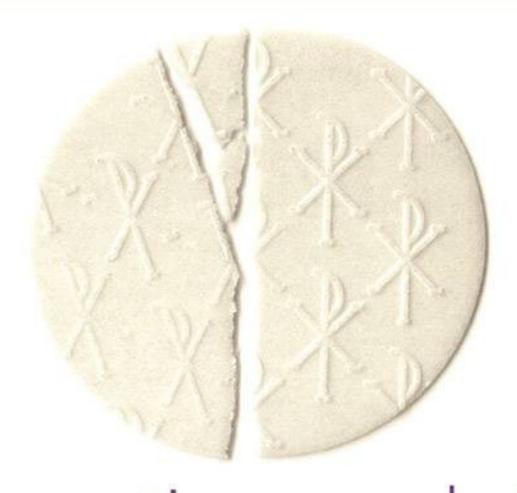

Minsan sa isang taon lamang Maririnig mga tinig ng nagdiriwang Sa kagalakan: Ang Niñong sumilang Naghari sa sambayanan

Papuri sa kaitaasan Sa Kanyang kinalulugdan Huwag na magtimpi Magbunyi ng maluwalhati:

Gloria in Exclesis Deo! Huwag na magtimpi Magbunyi ng maluwalhati: Gloria in Exclesis Deo!

Gloria!

GOD OF SILENCE

The God of silence beckons me To journey to my heart where He awaits O Lord, I hear You calling tenderly To You I come to gaze At the beauty of Your face I cannot see

To rest in Your embrace I cannot feel To dwell in Your love hurting but sweet To be with You; to glimpse eternity

God of night, fount of all my delight. Show Your light . . . that my heart, like Yours, burn bright.

Be still the torment of the night
Will not encumber you, if you believe
My child this darkness isn't emptiness
For here I mold your heart
Unto My image painfully you long to see

The self you yearn to be, but fear to know The world from which you flee in Me find home All these I give you, if you remain in Me

COUNTERPOINT:

I am ever here My child, you need not fear The dark will set you free And bring your heart to Me

CODA:

The God of silence beckons me To journey to my heart Where He awaits me.

<u>AWIT NG PAGSUYO</u>

Bawat naming awitin
Ay papuri't parangal sa 'yo
Pakinggan mo, Inang mahal
Ang awit ng pagsuyo

O mahal naming Ina Aming galak at saya Kandungin, aliwin Kami sa oras ng pighati *(KORO)*

Kalangita'y nagdiriwang Sa karangalang nakamtan Puso mo'ng kay wagas Kandungan ng Tagapagligtas *(KORO)*

Manatili ka kahit sandali Hihilumin Ko ang iyong hapdi Bakit lagi nang nagmamadali Di malilisan ang 'yong pighati

Isaysay sa 'Kin lahat mong pait Yayakapin Ko lahat mong sakit Manahimik na't mata'y ipikit Bubulungan ka ng 'sang oyayi

Kailan titigilan ang 'yong katatakbo Kailan pipigilan pagpasan mo sa mundo Manatili ka kahit sandali Buuin muli ang 'yong sarili Magtiwala ka't tayo'y magwawagi Ang pulang ulap ay mahahawi

TEACH MY HEART

O Lord, my God, teach my heart where and how to seek You. Teach my heart where and how to find You.

You are my God and my Lord and I've never seen You. You've made me and remade me and bestowed on me all the good things I have.

And still I do not know You.

I have not done that for which I was made.

O Lord, my God, teach my heart where and how to seek You. Teach my heart where and how to find You, For I cannot see You unless You teach me, Or find You unless You show Yourself to me.

Let me seek You in my desire. Let me desire You in my seeking. Let me find You by my loving You now. Let me love You when I find You. Teach me, Lord. Teach my heart where and how to find You.

PAGBABALIK

Paanong ako'y 'yong lisanin Paanong ako'y 'yong limutin Gayon man poot papawiin Ang lyong pagbalik hihintayin

KORO:

Sa bawat pagtawag ko sa 'yo Sa bawat hakbang mong palayo Nananangis 'tong yaring puso Hangad pa rin ang piling mo

Paanong di kita ibigin Paanong di ka patawarin Bago man isilang sa lupa Ika'y akin nang inaruga **(KORO)**

CODA

FAR GREATER LOVE

Who would have known this would be a history so torn with wars? The sky seems grayer in our hearts; it's grayer in our hearts.

I could have sworn it would end in misery, But the world is turning still, And we're also learning, somewhere hidden out there, Something's greater than our hearts

REFRAIN

The storms of life may shake our ground,
A greater peace still dwells in our hearts.
The dreams we build may fall apart,
A deeper hope still runs in our hearts.
Fear no harm, we are ruled by a far greater love,
A far greater love

Who would have known life would be such a mystery? For the world is yearning still and our hearts keep burning. We dare to believe there's something greater than our hearts (**REFRAIN**)

CODA

We're never alone.

All else may go wrong,

Still will there be a love far greater than our hearts

EMPTY SPACE

There's an empty space in your distant gaze,
And you may look away, the void still stays.
There's a hollow part in your weary heart,
And though you try again, no smile can hide your pain.
Fear not the night within. That's where My light begins,
So you may one day see My face. Only I can fill your days.

There's a raging storm in your broken soul, And how you wish away your troubled days. There's an open door at your deepest core, And though you lose your way you'll still come home someday.

Fear not the noise within, that's where My voice begins, So you may one day hear My song. Only I can still your storms.

There's an empty room, there's a hidden wound: This heart that burns for you, if only you knew. You're the missing part in My yearning heart, And I will stay around until the day you're found

May this, My whispered song, Lead you to come back home Till we're no longer far apart. Then will your laughter fill My heart.

GABING KULIMLIM

Pagsapit ng gabing kulimlim naririto Ako Papawiin Ko ang lumbay mo Kukumutan ka ng saya At aakayin Ko ang pagsikat ng umaga

Yakapin mo'ng kaloob Kong buhay sa iyo Sa piling Ko damhin mo ang mundo Sa kapwa mo muling mabibigo Kapayapaan Ko lamang ang sasagip sa iyo.

Anumang tagal ng gabi, kasama mo Ako Di mo man tanto, narito Ako Ang buhay Ko'ng nagdudulot ng buhay sa iyo Kadilimang ito ay kakayanin mo

Pagsapit ng gabing kulimlim naririto Ako Papawiin Ko ang lumbay mo Kukumutan ka ng saya At aakayin Ko ang pagsikat ng umaga

HOW LOVELY IS YOUR DWELLING PLACE

Belong to You alone.

KORO:

Bawat tao'y nalulumbay At di mapalagay Hangga't hindi nahihimlay Sa puso Mong dalisay *(KORO)*

I LOVE THE LORD

I love the Lord, He is filled with compassion. He turned to me on the day that I called. From the snares of the dark, O, Lord, save my life, Be my strength.

Gracious is the Lord, and just.
Our God is mercy, rest to the weary.
Return my soul to the Lord our God who bids tears away.

When the world seems cold and lonely, Let this heart that seeks You only Find its fire and blaze in Your embrace. Come, fill me with Your grace and... (REFRAIN)

Let me be Your hands that hold All who stray and leave Your fold.

Help us carry Your load through Your road ... A life and love untold. Just... (**REFRAIN**)

In Your arms, I am home.

THE SERVANT SONG

Will you let me be your servant? Let me be as Christ to you. Pray that I may have the grace To let you be my servant too.

We are pilgrims on a journey.
We are trav'llers on the road.
We are here to help each other
Walk the mile and bear the load.

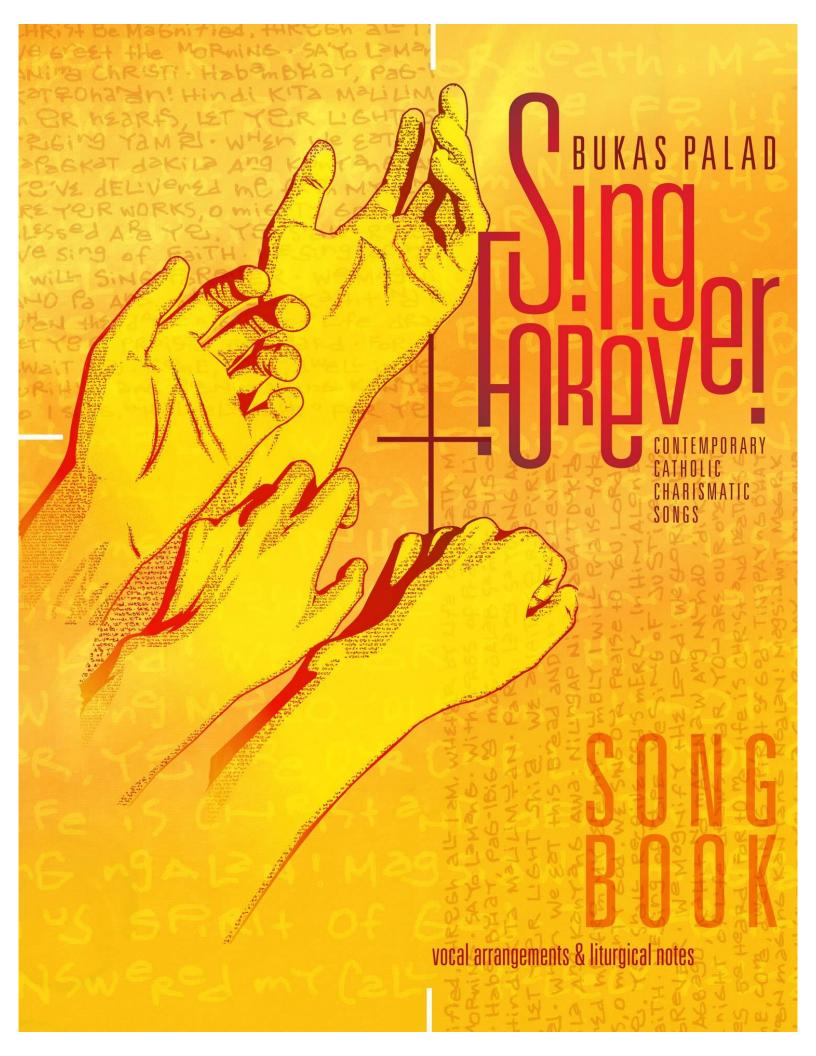

I will hold the Christ light for you In the night-time of your fear. I will hold my hand out to you, Speak the peace you long to hear.

I will weep when you are weeping. When you laugh, I'll laugh with you. I will share your joy and sorrow Till we've seen this journey through When we sing to God in heaven, We shall find such harmony, Borne of all we've known together Of Christ's love and agony.

SANLIBONG BUHAY

Sanlibo man aking buhay,
Bawat isa'y iaalay
Sa Diyos at bayan kong mahal,
'Sasanggalang inyong dangal.
Isugo Mo kahit saan,
Hamakin man ako't saktan.
Dalangin ko'y maging tapat.
Pag-ibig Mo ay sasapat.

Sanlibo man aking buhay, Sanlibo ring iaalay. Sanlibo kong kamatayan, Sa palad Mo ilalaan.

ISAIAH'S PROPHECY

On that day, a shoot shall sprout from the stump of Jesse, and from his root a bud shall blossom. The Spirit of the Lord shall rest upon him.

He shall judge the poor with justice and show mercy for the land's afflicted.

Then the wolf shall be a guest of the lamb, and the leopard shall lie down with the kid; The calf and the young lion shall browse together, with a little child to guide them.

COME BE OUR LIGHT

We are lost in the night, searching, longing for day. Weary, broken by sin, we seek your face, yearn to be saved.

Be with us now. Come and renew us.

Dwell in our hearts.

Come, be our way, our truth, and life. Conquer the night. Come, be our light, Emmanuel.

Ш

Save us, Emmanuel
Be our God with us now
Grant us goodness and grace,
justice and peace, fullness of life. (REFRAIN 2x)

OUTRO

Be with us now. Dwell in our hearts. Conquer the night. Come, be our light.

THE ANNUNCIATION

In the sixth month, the angel Gabriel was sent to a town of Galilee called Nazareth, to a virgin betrothed to Joseph, and the virgin's name was Mary.

"Hail, favored one, the Lord is with you."

"Mary, do not be afraid, for you have found favor with God. Behold, you will conceive in your womb and bear a son, and you will call him Jesus..."

The angel said, "The Holy Spirit will come upon you, and the power of the Most High will overshadow you..."

Then Mary said, "Behold, I am the handmaid of the Lord. May it be done to me according to your word."

BREATH OF HEAVEN (MARY'S SONG)

Ī

I have traveled many moonless nights Cold and weary with a babe inside And I wonder what I've done Holy Father, You have come And chosen me now to carry Your Son

Ш

I am waiting in a silent prayer
I am frightened by the load I bear
In a world as cold as stone
Must I walk this path alone?
Be with me now, be with me now

CHORUS

Breath of Heaven, hold me together Be forever near me, breath of Heaven Breath of Heaven, lighten my darkness Pour over me Your holiness for You are holy Breath of Heaven

Ш

Do you wonder as you watch my face
If a wiser one should have had my place?
But I offer all I am
For the mercy of Your plan
Help me be strong, help me be, help me (CHORUS 2x)

JOSEPH'S DREAM

...behold, the angel of the Lord appeared to him in a dream and said,

"Joseph, son of David, do not be afraid to take Mary your wife into your home. For it is through the Holy Spirit that this child has been conceived in her."

"She will bear a son and you are to name him Jesus..."

TO BE GOD'S FATHER HERE (JOSEPH'S CANTICLE)

REFRAIN

Glory to the Lord!
God's name be praised,
for You chose to save
Your servant's heart from fear.
Dream in me, O Lord,
grant me the grace
to be God's father here.

ı

Open my heart, which by Your Spirit stirred receives the Holy Word: the promise my bride has heard. We hope and trust, surrender to Your plan: You've sent the Son of Man. Salvation is at hand!

П

Lend me Your love, to raise Him as my own, provide Him with a home, where justice and peace are known. God from above becomes Emmanuel: Our restlessness dispel! In God, teach us to dwell.

BRIDGE

Hallelujah! Praise the Son! Hallelujah! Holy One! Hallelujah! Child most dear, I'll be Your father here.

<u>JESUS' BIRTH</u>

In those days, a decree went out from Caesar Augustus that the whole world should be enrolled. And Joseph too went up from Galilee from the town of Nazareth to Judea, to the city of David that is called Bethlehem.

While they were there, the time came for her to have her child, and she gave birth to her firstborn son.

She wrapped him in swaddling clothes and laid him in a manger, for there was no room for them in the inn.

THE ANGELS' SONG OF GLORY

Now there were shepherds from that region living in the fields keeping the night watch and guarding their flock.

The angel of the Lord appeared to them and the glory of the Lord shone around them, and they were struck with great fear.

The angel said, "Do not be afraid; for behold, I proclaim to you good news of great joy for all the people. For today in the city of David a savior has been born for you who is Messiah; who is the Lord."

And suddenly there was a multitude of the heavenly host with the angels praising God and saying: "Glory to God in the Highest and on earth peace to those on whom his favor rests."

...and on entering the house they saw the child with Mary his mother. They prostrated themselves and did him homage. Then they opened their treasures and offered him gifts of gold, frankincense and myrrh.
