May this song book spark memories of the melodies that filled this sacred day.
Songs sung with love, with joy, and with grateful hearts.
To our choir, whose voices brought these words to life.
To Sis Mae and Bro Tristran, whose love inspired every note.
And to all who shared in the music,
May every page remind you of the grace and beauty of this celebration.
Carry these songs with you, for in them lives the spirit of this day.

VERSE I

You and I may never be the perfect pair

That life is what we make it to be

Our love will guide us and show the way, oh baby

CHORUS

From this moment on, it's me and you
A road of life ahead, we'll journey through
And though it may be windin'
, we'll go right on remindin'
That we both have each other

Cherish every moment, darlin', hold on fast
Live each day as though it were the last
The only time and place that we are certain of
My love, is here and now

VERSE II

We had yesterday, but now it's come and gone
Tomorrow, yet to come, belongs to none
We have found a miracle of love today
If we try hard enough it's here to stay

Our rainbow's end is just around the bend
Our love will find it and until then, oh baby
